(Last update December 17, 1990)

- June 28, 1977 Received forms MR1-Notice of Intent to Commence Mining and MR2-Mining and Reclamation Plan, from Morton Salt Company for the Saltair operations located in Sections 1, 2, 3, T1S, R3W and Sections 5 and 6, T1S, R2W. Areas of operations covers 1650 acres.
- February 28, 1978 File memo regarding site visit of 2/23/78. Site visit was unannounced and unsuccessful - no one was available to accompany Division staff.
- *** [Ten Year Void]***
- May 26, 1988 File memo listing unpermitted evaporation facilities. Morton Salt's facility is one of four unpermitted facilities along I-80 west of Salt Lake City. [The other facilities are: FCI (Chevron Chemical Company), Sol-Aire Salt, and Great American Salt]. Memo recommends initiating permitting of these facilities when the new rules are implemented.
- February 3, 1989 Division letter to Morton Salt requesting annual report for 1988.
- May 26, 1989 Received annual report for 1988 with a cover letter and updated facility map. The total unreclaimed acreage is listed as 2,145 acres.
- June 21, 1989 Received 6/15/89 letter from Morton Thiokol, Inc. Due to restructuring, Morton Salt Division will be under a new corporation called Morton International, Inc. as of 7/1/89.
- January 5, 1990 Division letter to Morton requesting annual report for 1989.
- January 17, 1990 Received 1989 annual report.
- NOTE: As of this date, no permit has been approved for this operation.
